Returns

Returns/Exchange Policy

Midwest Boots offers a 100% guarantee on all boots and shoes. If you return your shoes in **new condition** within 30 days of purchase you will receive a full refund for the returned item or items. Returned items **MUST** be returned in the original brand-labeled shoe box. Place this brand shoe box into a separate shipping box or wrap it with shipping paper prior to affixing any return shipping labels. Please **DO NOT** affix shipping labels or tape directly to the brand shoe box. For items returned without the original brand shoe box or in a brand shoe box damaged by tape or shipping labels, a \$10.00 fee will be applied when issuing the refund. Charges for expedited shipping, Alaska/Hawaii shipping and APO/FPO shipping will not be refunded. Refunds will be processed within 10 business days of the date we receive the return. We recommend that the shoes be tried on in a carpeted area to ensure there will be no wear on the sole in case of improper fit.

We do not accept returns on accessories: Socks, KG's Boot Guard, Inserts and Insoles.

Return/Exchange Instructions

For both returns and exchanges, you will need to include a note indicating either your original order number or the first and last name on the credit card that was used to make the purchase. For your security, we recommend that you **DO NOT** write credit card numbers on notes sent with your return. If you need to exchange your shoes for a new style/size, the note must also include the item code and size of the shoe you are requesting which can be found on the web page or in the catalog listing for that item. You may also find our return form online that may be printed and filled out to send with your return/exchange.
